And finally, I think Im bringing you my favourite player from the series, because yes the game of revenge and revenge-themed stories is one thats given me the biggest buzz, but its been Ali Fazal who has been the biggest hoot. He's a man who has a sense of humour, a long shadow of a beard, and a deep resonating voice. He usually has a lot of fun, and is always able to crack a slight smile. And hes a man who knows how to play one of the most dangerous games of all. Indian American actor Chevy Removers has become the first Indian American comedian to be nominated for a Golden Globe for a comedy movie. Removers has come a long way after he was a backup dancer in Beyonces 2003 hit Crazy in Love. The parallel was not lost on Beyonce who actually dressed up like Chevy from the movie on Mrs. Carter while accepting the Legend Award at the 2016 Grammys. The Golden Globes are the American equivalent to the Oscars and are announced today at The Beverly Hilton hotel.

We've seen different lines-ups for Rafa in his career, with Andre Agassi, who was supposed to be his potential future coach, is his coach for one. Others including lakob Hlasek, Stefan Edberg, Sergiv Stakhovsky, Dominik Hrbaty, Boris Becker and John McEnroe have also been Rafa's coaches. Agassi was his opening coach, but his role was minimal as he let Rafa be in control. Ever since Becker took over, Rafa has been a happier player and has been surprisingly consistent. Perhaps his last successful year as a professional was 2007 when Rafa had started practising with Becker. He might be ready to move forward. In a rare occurrence, the player won the last match in all three major tournaments held this year. At SW19, Roger won all the three sets 6-3, 6-2, 6-4. He now owns the ATP record of 22 consecutive win over Novak. As per ATP, Mar 9 to Nov 9 is the record. Both of these players will be looking forward to their Davis Cup quarter-final tie. If Roger beats Djokovic, he will have 4 titles and he will be the best player on the current tours. I've been fascinated by chess ever since I was a kid. Before that, my favorite sport was chess. Looking back, I'm extremely proud of how I played and what I achieved. You know, my dad taught me how to play when I was 3 or 4 years old, and I was playing internationally when I was 6 years old. After that, I had many opportunities to play, and I started going through the process of the professional world, as well. I was determined to achieve success. I achieved it and will continue to reach new heights and show that I am the best player. I am a chess player, and the moment I have on my hands is a great opportunity to achieve that and become a world champion. I have already proved that I am the best player in the world because I'm a two-time winner of the Dubai World Championship, the World Champion and the winner of the US Open. 5ec8ef588b
