What's New in the Free Marvel 039;s The Avengers Screensaver?

Free Marvel's The Avengers Screensaver is an interactive collection of several pictures depicting the good characters from the "The Avengers" movie, which comes in the form of a screensaver to nicely decorate your screen. Pay attention to the installer It also features effects, sound, and behavior settings to fully personalize it. Even if the installation is clear of any kind of third-party offers, at the end, the app asks if you want to change your web browser's homepage. This offer can be turned down with ease. Right from the start, you are able to take the screensaver for a test, and see if it fits your preferences. You can opt to keep the default settings or tweak them to have the best experience. Choose the transition effects used in the slideshow The screensaver is automatically added to the Windows Screensaver panel list. Clicking on the "Settings" button brings up the configuration window, where you can change the image display time, expressed in seconds, and set the order in which they are shown (e.g. shuffle, random, sequential). In addition, you have the option to select their position on the desktop, like fit, fill or stretch, as well as choose what effects should be used the slideshow. They can be set to run at a slower or faster pace. Make your own personalized song list A nice feature is the option to create your own sound playlist with songs inspired from "The Avengers" OST or your favorite tracks. The list can be enabled to repeat the sounds, and shuffle them in a random order. What's more, you can select what exit actions should wake the monitor, like mouse move, click, ESC or keyboard button. On an ending note In conclusion, Free Marvel's The Avengers Screensaver is an entertaining selection of beautiful photos of the mighty heroes from the well-known movie, "The Avengers". Visual and sound configuration options are included.
